

Jeannette Lighting Glassware

CATALOG

JEANNETTE SHADE &
NOVELTY COMPANY

NO. 25

Jeannette, Penna. --- U. S. A.

We have made no attempt to illustrate in this book all the items we manufacture but only the newer and more staple numbers.

We can manufacture anything in the way of glassware, either blown or pressed, plain, decorated or cut.

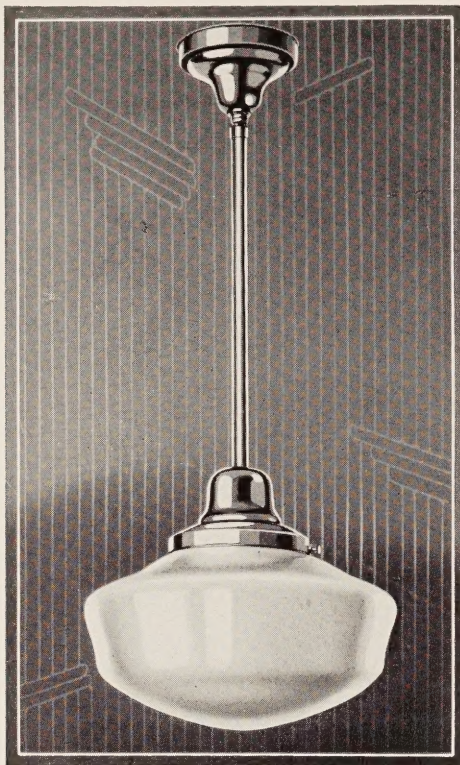

Send us your inquiries on glassware, especially private mould items, as we are specialists in this line.

All prices subject to change without notice.

The CORONA LINE is the very newest in residential lighting with a maximum spread of 11" and the globe has a 4" fitter.

When not lighted the CORONA ring has a soft etched effect BUT when the artificial light is turned on the CORONA immediately picks up and is ALL-AGLOW with the predominating color of the globe.

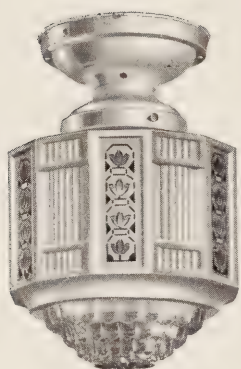

The opal banded CORONA No. 24/40 is especially adaptable to Kitchens and Bathrooms.
